**Fair Lawn All-Sports
is proud to present the "STARS" Soccer Program
for the Fall of 2017 (beginning Sat., September 16th)
for Children with Special Needs ages 5 to 16.**

What is unique about this program?

Fair Lawn All-Sports, in conjunction with the Fair Lawn ADA Committee, has established a soccer program to help enrich and promote an active lifestyle, good sportsmanship, a higher sense of self-esteem and help improve overall social and physical skills.

How does the program work?

We will have small groups of players who will be lead by a host of enthusiastic coaches and volunteers from the Fair Lawn High School. We will make every effort to maintain a high ratio of coaches to players. By providing a high ratio, we intend to foster a love of learning a new sport through positive development and successful progress. All of our coaches and volunteers have received instruction in the fundamentals of the game.

When will we play?

We will play on Saturday afternoons from 3:30 to 4:30 at the Dobrow Sports Complex on Harristown Road.

What ages can play?

The program is open to children ages 5 to 16 years old. We will group the players by age and/or ability.

How much will it cost?

The cost is \$35 per player. This will include a T-Shirt, shin guards, ball and end of year Pizza party and Participation Award.
